Pennsylvania State Society Children of the American Revolution

Fall 2007

OH GOLLY, LISTEN TO MOLLY!

**HEATING UP HISTORY
WITH PA C.A.R.**

Greetings fellow C.A.R. members!

Summer is quickly coming to an end and I think we all deserve to give ourselves a big pat on the back for a job well done! As we all know this summer has been very exciting for PA C.A.R. and I hope everyone has some great memories from the past three months!

The first event on the PA C.A.R. summer agenda was the Eastern Regional Meeting! The meeting was held in downtown Washington, DC and turned out to be a wonderful weekend! I was super excited to see so many PA C.A.R. members **"Leading the American Adventure"** and supporting National President, Katie Marie Stanley, as she continued her cross country Regional Tour. Pennsylvania is very proud to have two of its very own members serving on the National Board. Hannah Edmiston, National Assistant Archivist, and Becky Shaw, National Chairman of Awards. We are very proud of both these ladies for all of their hard work this summer!

On Friday morning, C.A.R. members were honored to meet First Lady Laura Bush and take a group photo with her on the White House Steps! After our photo we got to take a tour of the White House and learn a little more about the house's history. Friday evening we braved the DC Metro to enjoy a Washington Nationals baseball game! PA C.A.R. member Justin Popielarski was chosen to carry the American Flag onto the field for the singing of the National Anthem! The entire evening was filled with lots of fun and tons of laughter and I was happy to spend the weekend with my C.A.R. friends!

With no time to work on that summer tan, PA C.A.R. was once again getting ready to plan another event. The first weekend in August marked the date of PA C.A.R.'s annual Summer Workshop in Chambersburg. The Falling Spring Society

did an amazing job preparing and hosting the conference. Friday night was filled with lots of pizza and of course skit practice followed by a pool party at the hotel! On Saturday everyone gathered to HEAT THINGS UP and perform the skits they had practiced the night before! Boy, I must say, those skits were ON FIRE! After a productive meeting PA C.A.R. was honored to plant a tree in memory of Mrs. Nancy Burkey at a local Chambersburg Park. After the ceremony members and seniors took a tour of a local prison where they had dinner in the Old Jail Court yard! It was in the court yard that Roger Sparks was awarded this years WORKSHOP ENTHUSIAST! Roger really heated things up that weekend and showed all of us how to turn up the heat later on that evening at Cluggy's amusement park!

Once again I would like to thank the Falling Spring Society and Mrs. Connor for doing such a great job. Thank you for helping **"HEAT UP HISTORY"** and organizing such an amazing Workshop! I would also like to congratulate all of the new members that joined us for the weekend. I hope you had a fun time and I hope to see you at future C.A.R. events.

As school starts up again, I know everyone is going to have a ton of studying to do and that includes studying those contests! Society presidents, senior society presidents, and society members should all be thinking about entering as many contests as they can. With your help PA C.A.R. could win the Gold Merit Award and your participation will help us do that!

Finally, don't forget about C.A.R. this fall because, come spring time we have a jam-packed schedule. On March 28th-30th, 2008 the General Anthony Wayne Society will be hosting the State Conference in Conshohocken, Pennsylvania. A couple weeks later, in April, there will be National Convention in Washington D.C!

I hope to see everyone in attendance at both of these events because it is **very** important to show your support for both the State and National Programs. I hope your summer wasn't too HOT and you enjoyed "HEATING UP HISTORY with PA C.A.R." as much as I did!

Molly O'Neill
State President

LEADING THE HEAT

THE SENIOR STATE PRESIDENT'S MESSAGE

Greetings!

The HEAT is on! PA C.A.R. is active and growing. In July, the Eastern Regional Meeting was well attended with 27 members and seniors representing Pennsylvania. Molly O'Neill, PA State President and Hannah Edmiston, National Assistant Archivist, supported the National Board by being active participants in the presentations. Both of the girls shined in many skits especially Molly, as the Runway Pin Promoter and Hannah, as Tinkerbell. Highlights of the weekend included the Whitehouse tour and meeting Mrs. Laura Bush and experiencing a true American Adventure by seeing the Nationals play the Brewers. Everyone had a fantastic time. We had a couple of families attend for the first time, the Turner family from Conrad Weiser and the Massa family from John Morton Society. We hope they felt the *heat of enthusiasm* and will continue to participate in many other regional meetings.

Molly O'Neill has been very busy representing PA C.A.R. She participated in the Memorial Day festivities in Philadelphia to honor the Tomb of the Unknown Soldier, attended and was honored at the Let Freedom Ring ceremonies on July 4th in Independence Hall and various local events. She is turning up the heat and spreading the good word of PA C.A.R. Are you?

Please remember to keep your files up dates on your members. Let us know if there are any address changes. PA C.A.R. is doing great things across the state. Please send me a copy of your newsletter so I can share your good work with others. You may send it electronically or snail mail.

Molly has been very busy preparing a wonderful summer workshop. Once the contests are published, please enter at least one more contest that you did last year. It is easy to do and it is a great way to share the wonderful things that you are doing in your society. I want to challenge the PA C.A.R. societies to enter more contests on the State and National level this year. We can do this!

As the saying goes; never doubt that a small group of thoughtful, committed people can change the world. Indeed, it is the only thing that ever has.

Coach Jackson from the Chicago Bulls clearly emphasizes, *the strength of the team is each individual member...the strength of each member is the team.* The PA C.A.R. team continues to grow stronger every year with the gifts that each member and senior share with others. Keep the fires burning!

Remember to keep all of our military and their families in your prayers especially Wayne Charles Edmiston, Honorary State President, who is serving in Iraq for his second term. Their loyalty and sacrifices are never to be taken for granted. We are so proud of them.

Warmly,

Barbara Shaw
Senior State President

National Project & National Theme

Leading the American Adventure

This year's national project is raising funds for the Junior Ranger program at Yorktown National Battlefield. N.S.C.A.R. president, Katie Stanley, is Leading the American Adventure by bringing the Junior Web program to the world wide web. The Battle of Yorktown was a very important battle. It was the last battle that the British surrendered to. It was the battle that won the war for the allies. After CAR raises the funds we will be recognized by the National Park services and National Park Foundation. Almost 330,000 children visit one of the 286 parks every year. The Junior Rangers program is starting an 18 month \$10 million campaign to support important programs for American youth. The money that N.S.C.A.R raises will help hire a web designer who will create a web page and provide badges to children that earn them when they become Junior Rangers.

Jacob Hogan
State Registrar

WebRangers 

THE NATIONAL PARK SERVICE JUNIOR RANGER PROGRAM

What is a Junior Ranger?

Are you interested in exploring? Do you like art, science, history or nature? How about animals, sailing ships, dinosaurs or trains? Would you like to learn more about the national parks that belong to you?

A Junior Ranger Could be YOU!

Rather than tying their park experiences only to the scheduled programs, Junior Ranger Programs are designed to provide participants with the flexibility to see and interact with the park at their own pace and within the limits of their own time.

National Parks with Junior Ranger Programs:

Many National Parks offer visitors the opportunity to join the National Park Service Family as Junior Rangers. Interested students complete a series of activities during their park visit, share their answers with a park ranger, and receive an official Junior Ranger badge or patch and Junior Ranger certificate.

State Project & State Theme

HEAT UP HISTORY WITH PA C.A.R.

A VISIT TO THE SITE OF THE PA STATE PROJECT AT HARRITON HOUSE

As you know, our state project is to raise money to restore bed curtains surrounding the master bed at Harriton House. On June 30th the Conrad Weiser Society C.A.R. toured two historic homes.

Our first stop was Harriton House. This house was built by Rowland Ellis a Welsh Quaker. He called his farm Bryn Mawr. Richard Harrison bought the home from Ellis and named it Harriton House. Harrison used slaves to work his tobacco farm.

Charles Thomson was the owner of the house during the Revolutionary War. Thomson did not believe in slavery so he worked his farm with paid men.

Charles Thomson served as the secretary of the Continental Congress. Thomson gave George Washington the news that he was elected the first president of the United States.

After visiting and feeding Steady, the horse, we enjoyed a picnic lunch at the Harriton House and then it was on to the next historic home.

Our next stop was Potts Grove Manor in Pottstown, home of John Potts. John Potts the elder gave his name to the area by calling it Potts Grove. The settlement would later be called Pottstown. This home was built in 1752 by Thomas Potts, son of John. It was one of the finest homes outside of Philadelphia. Potts was a Justice of the Peace and his family held a place of prominence in the area. His wife and 13 children lived at the manor until 1768.

The weather that Saturday was warm and all of us enjoyed spending the day together.

Alexis Troutman, age 11
Secretary, Conrad Weiser Society

The American Adventure at Eastern Regional Meeting

This years' Eastern Regional was held in Washington, DC. It was full of fun activities including a Washington Nationals baseball game and a tour of the White House. While at the White House, the children had the pleasure of meeting and having their photo taken with Mrs. Laura Bush, thanks to Mrs. Falkenstein. The baseball game went with the theme of **Leading the American Adventure's** famous baseball legends that were watching over the convention. Andrew Schaeffer, the Eastern Regional V.P, ran a well organized meeting. During the meeting, the national board presented many of their contests through skits. The skits ranged from Smoky the Bear to Peter Pan and the famous Harry Potter. All the national board members in attendance included Pennsylvania's State President, Molly O'Neill, and Hannah Edmiston, National Associate Archivist participated in these skits. Also during the meeting, there were workshops where the children were divided into teams to create crafts and learn more about how they could contribute to the American Adventure.

Elizabeth Killian
State Recording Secretary

The PA C.A.R. delegation lead by State President, Molly O'Neill Lead the American Adventure at the Eastern Regional Meeting, July 6-7, 2007, Washington, DC.

Keep History Hot, Not Fires!

When the weather is hot, dry or windy, or when thunderstorms occur, there is the danger of forest fire. Forestry fire fighters have developed a system to calculate and distribute fire danger information and provide daily weather reports from more than 1,000 fire danger weather stations throughout the country.

Additionally, the firefighters working with Smokey have expanded the tools they use to reduce and prevent forest fires that can occur under such dangerous conditions. They are using their old 'enemy' fire wisely and under selected conditions to clear forests of debris. These 'friendly' fires not only reduce undergrowth but help many plants reproduce and increase food for wild animals. But, most importantly, planned fires can lessen the possibility of an unplanned wildfire caused by lightning or human carelessness raging out of control.

There are thousands of brave men and women who fight forest fires. They can use water or they can remove the fuel from the fire by cutting down trees or setting small fires to create a fire break. Firefighters' tools are necessarily limited. That's why it's especially important for you to practice forest safety!

Department of Interior Matching Game

The Department of Interior is made up of eight separate agencies. Each plays a special part in Leading the American Adventure to preserve and protect our natural and cultural resources. Match the department with their logo and what they do for the country!

This agency is a bureau within the Department of the Interior. We conserve, protect and enhance fish, wildlife and plants and their habitats for the continuing benefit of the American people.

This agency manages all National Parks, many National Monuments, and other conservation and historical properties unimpaired for the enjoyment of future generations."

Established in 1902, this Bureau is best known for the dams, power plants, and canals it constructed in the 17 western states.

The is agency has responsibility is the administration and management of 55.7 million acres of land held in trust by the United States for American Indians, Indian tribes, and Alaska Natives.

Bureau of Reclamation

National Park Service

Bureau of Indian Affairs

U.S. Department of Fish & Wild Life

This organization focuses on biology, geography, geology, geospatial information, and water, we are dedicated to the timely, relevant, and impartial study of the landscape, our natural resources, and the natural hazards that threaten us.

This agency administers America's public lands, totaling approximately 258 million acres.

This agency manages US natural gas, oil, and other mineral resources on the outer continental shelf (submerged lands, subsoil, and sea-

This agency which is entrusted with the implementation and enforcement of the Surface Mining Control and Reclamation Act of 1977.

Office of Surface Mining

Minerals Management Services

Office of Land Management

SOCIETY HEAT

The annual Philadelphia-Continental Chapter SAR's Patriots Picnic was a HOT joint event with PA C.A.R. The annual event was held in June with C.A.R. members from **Independence Hall, John Morton, Conrad Weiser and General Anthony Wayne** participated in the program. State President, **Molly O'Neill** promoted her state project at the Harriton House. Society officers were installed by Molly.

Members of **John Morton Society** continued their American Adventure by celebrating Flag Day in Lansdowne, PA with the Lansdowne Chapter DAR.

John Morton Society again joined the **Independence Hall Society** to welcome 13 new American children to citizenship on July 4th at the Betsy Ross "Let Liberty Ring" Ceremony!

Reprinted from the *Reading Eagle*

A flag to honor Revolutionary War soldier Isaac Jones is planted in the Most Blessed Sacrament Roman Catholic Church cemetery, Bally, by **Stefan Troutman**, 7, of Bernville. Troutman is a member of the Conrad Weiser Society of Children of the American Revolution. Also taking part in the ceremony, from left, are Monsignor Edward J. Coyle, Deacon Thomas J. Murphy and Floyd N. Turner II, vice president of the Sons of the American Revolution, Gov. Joseph Hiester Chapter.

MEMBER KUDOS

Elizabeth Snedeker, Past President of the Conrad Weiser Society, recently received her Girl Scout Gold Award. Her service project was the renovation of the First Aid Squad building in Rocky Hill, NJ which resulted in a more efficient, organized and comfortable work environment for the First Aid Squad members. Elizabeth's dedication and commitment to her community reflect the highest traditions of the Children of the American Revolution.

Kathryn Turner, President
Conrad Weiser Society, PA C.A.R.

Heat Up History at PA Summer Workshop!

Falling Spring Society hosted the 2007 PA C.A.R. Summer Workshop at the Four Points Sheraton in Chambersburg, on August 3rd and 4th. Eighty one people attended the event. After traveling many hours to get to Chambersburg, everyone was hungry for lots of pizza on Friday night.

Our State President, Molly O'Neill along with the state officers and chairman practiced their skit and presentations for the Workshop. Everyone was so nice to Sarah and me. It was our first C.A.R. event! Everyone took us under their wing and involved us in their presentations. After that the group took a dip in the pool, to finish off the day.

Saturday morning brought us to the business portion of the workshop. We were honored to have Honorary National President, Robert Fritsch, Elizabeth Boone, State President of Alabama, Emily Boone, State Vice President of Alabama and many other Honorary State President from PA C.A.R. in attendance. There were several babies that attended their first C.A.R. event. One was Preston Conner from the Falling Spring Society, who slept through the business session.

The state officers and chairman presented their contests by using props, scripts, and lots of energy to get their point across to the local societies. I am sure many contests will be entered with their examples.

In the afternoon, we learned the many facts of Chambersburg presented at the Heritage Center. It is known widely for the burning of the town during the Civil War. A tree was planted in memory of Nancy Burkey in the newly constructed Chamber Park. State President, Molly O'Neill and officers presented a meaningful ceremony to us. She was Falling Spring Society's first president and a mentor to many C.A.R. members over the years. Mrs. Burkey had to be smiling on all of us!

We traveled to the Old Jail where we experienced first hand what life was like behind bars. The Old Jail shut down in 1972. Some of us ate our picnic buffet in an actual cellblock, where we became energized again for a game of miniature golf at Cluggy's.

Heat Up History with PA C.A.R. was the perfect theme for this Summer Workshop!! Thanks to all who made it special for our Falling Spring Society.

Elizabeth "Lizzie" Sexton
Falling Spring Society
President

PA C.A.R. members dedicated a tree in memory of Mrs. Thomas G. Burkey at Chambers Park during 2007 Summer Workshop.

Roger Sparks of the Isaac Tripp Society was named Summer Workshop Enthusiast! Way to go Roger for heating it up!

Honorary State President at Summer Workshop. From the left Kathy Cook Loftin, Robert Fritsch, Molly O'Neill, Becky Shaw, Caitlin Hogan, and Elizabeth Fritsch Ciarrocchi

EDITOR'S CORNER

Dear PA C.A.R. members and families,

The Heat is on for another C.A.R. year. Please send your members' articles, pictures, games and works of art. We want everyone to know about the great C.A.R. activities that are going on around the state.

Thanks to all who have sent in item for this issue. It gets harder and harder to fit all of the material in the space we have.

Keep the heat on!
